Notes: These figures represent scores for completed exams without adjustment for multiple attempts by an individual examinee over time.

Data for proctored administrations, if any, are not included.

Effective August 28, 2006, the passing score was changed to an "11" on both portions of the exam.

Effective January 1, 2007, the exam length was expanded from 50 minutes total to 30 minutes for the first portion and 45 minutes for the second portion.

Administration dates for which there were no examinees for this Assessment are omitted.
